

“Created in the Womb”

Month 9

I CALL HEAVEN AND EARTH TO WITNESS AGAINST YOU TODAY, THAT I HAVE SET BEFORE YOU LIFE AND DEATH, THE BLESSING AND THE CURSE, SO CHOOSE LIFE IN ORDER THAT YOU MAY LIVE, YOU AND YOUR DESCENDANTS. DEUTERONOMY 30:19 NASB

"In looking at a picture of any stage of human fetal life, it is important to remember that at conception the human embryo is genetically distinct from both parents, possesses already all the characteristics that the full mature person will possess and directs its own growth and development. The only difference between the human embryo and the mature person is the lapse of time." Fr. Michael Petty

3700 abortions are performed in the U.S. every day.

1% of all abortions occur because of rape or incest; 6% of abortions occur because of potential health problems regarding either the mother or child, and 93% of all abortions occur for social reasons (i.e. the child is unwanted or inconvenient).
