

## Network: How can I build the Body of Christ?

We are excited to have you in Network on Saturday, April 17, 2010 from 9am-Noon in the Parish Hall. Network is a wonderful opportunity to find out where you are "gifted" to serve and in a place that is most meaningful for you. When you are offering your time at St. Peter's, we want you to have a great experience.

Originally designed as an 8-week course, Network has been streamlined by providing assessments to be filled out in advance. Be sure to hand out your Observation Assessments with plenty of time to get them back. Here is what you need to do before the Network course:

- **Spiritual Gift Discovery form:** This is for you to fill out. Directions are provided and should be completed before the course. Please bring your completed assessment with you on Saturday. You will not have time to complete it once you arrive, and the entire session is geared around this information.
- **Observation Assessments:** These forms should be distributed to three people who know you well. Ideally, each of these three people should be someone who has observed you in a ministry/volunteer setting. Directions are provided, but encourage people to be honest in their observations. Please bring your completed Observation Assessments with you on Saturday in order to fully participate in the session.

*Note: You can also find the Spiritual Gift Discovery form and the Observation Assessment online at [www.saint-peters.net/network](http://www.saint-peters.net/network).*

A \$15 donation (per person) is requested to cover the cost of the books. You can bring this the day of the course. Childcare is available if you reserve in advance. Please let us know the names and ages of your children so we can make arrangements. If your plans change and you are unable to attend, please contact the office at 701.0664 ext. 15 or via email at [katherine@saint-peters.net](mailto:katherine@saint-peters.net).

If you have any questions about the course or the assessments to fill out, please do not hesitate to contact us. We thank you for your participation and look forward to seeing you on Saturday, April 17!
